CELEBRATING 22 YEARS OF MINISTRY

The church was packed on October 25 as we celebrated 22 years of ministry at Arouca Baptist Church! It felt like a homecoming as people from different seasons of our church's ministry came back to celebrate with us. Some we hadn't seen in a while, and it was a joy to see familiar faces and catch up again.

Looking around the room, we were reminded of how many lives the Lord has touched through this church since we began in 2004. One of the sweetest parts of the day was getting to worship together again and thank Him for His faithfulness. We went home grateful for all God has done and excited to keep lifting up the name of Christ here in Arouca!

Thank you for praying for our church and helping us share the gospel in Trinidad over these 22 years.

Our special Project Blessings: Christmas Cheer will share the love of Christ with those in need this Christmas. This project is given in loving memory of Pastor Larry Holland, Marie's father, who went home to be with the Lord in May 2026. He faithfully served in ministry for 40 years and preached at Arouca Baptist Church during his many visits at Christmas. He promoted and supported Project Blessings while he was pastor at Grace Baptist Church in Chappaqua, New York. Through the years, this church has sent clothes, shoes, toys, supplies and monetary donations. His generosity and life verse, "Serve the LORD with gladness" (Psalm 100:2), inspires this special outreach.

Help us spread Christmas cheer! Give online at aroucabaptist.com/donate. As always, all donations are tax-deductible!
